## HONORING A LOCAL HERO

This month we are honoring a local hero, Judge Ori Silver. A lifelong Palm Beach County resident, Judge Silver served our community as a prosecutor with the State Attorney's office for the 17th Judicial Circuit. In this capacity, she served as a lead attorney with the Felony Trial Unit, as the chief of the Elder Abuse Unit, and as a senior trial attorney in the Domestic Violence Unit. Seeing a need in the community to better protect our senior residents, Judge Silver organized and launched the office's first Elder Task Force, a multiagency organization that works together to educate, protect, and enhance the lives of local seniors.

## 100 Deadly Days

by: FLHSMV

The 100 days between Memorial Day and Labor Day, referred to as the 100 days of summer, are nationally known as the most dangerous time for teen drivers. Studies by **AAA** and **The Florida Safe Teen Driving Coalition** both indicate a sharp increase in fatal crashes with teen drivers behind the wheel, thereby dubbing the time as the 100 Deadliest Days of Summer.

thereby dubbing the time as the 100 Deadliest Days of Summer. In Florida, statistics show the month of March as the deadliest for teen drivers, with both Spring Break and St. Patrick's Day showing increases in dangerous driving behavior, often resulting in fatal crashes or crashes involving serious bodily injury.

Teen drivers must be aware of the risks associated with dangerous driving behaviors, and being issued a citation or a warning is considerably different than causing a crash that injures or kills someone.

**At Silver Injury Law We Have Been Known to Walk "The Last Mile"**

All Client Testimonials are available at [www.SilverInjuryLaw.com](http://www.SilverInjuryLaw.com) under the "What Our Clients Say" section.

At Silver Injury Law we've been known to walk the "last mile" for our clients meaning that, when liability is uncertain or disputed, we will literally walk the "last mile" on the roadway before an accident happened so that we can see what the other motorist should have seen but didn't. We are mindful that, while we will move on to the next case, our clients only have one case so we conduct our own investigations to turn over every stone so that Justice can be allowed to prevail. Absolutely nobody is as thorough as me and my team in our pursuit of justice. - **Bruce Silver Esq.**
