At Silver Injury Law We Have Been Known to Walk "The Last Mile"

At Silver Injury Law we've been known to walk the "last mile" for our clients meaning that, when liability is uncertain or disputed, we will literally walk the "last mile" on the roadway before an accident happened so that we can see what the other motorist should have seen but didn't. We are mindful that, while we will move on to the next case, our clients only have one case so we conduct our own investigations to turn over every stone so that Justice can be allowed to prevail. Absolutely nobody is as thorough as me and my team in our pursuit of justice. - *Bruce Silver Esq*
